Dear Josh:

Thank you so much for recommending the band, "Nation", to my husband and I. The band was the hit of our January 4, 2003 wedding reception. I can't tell you how many people asked where we found them and repeatedly stated that they were the best band at a wedding reception that they had seen in recent years.

Also, Eli Staples was great in working with us prior to our big day. He had many pertinent suggestions and took all of our questions and personal music tastes in stride while incorporating many of the specific songs we had requested into the band's play list. He was also meticulous in checking with us both throughout the evening to ensure that the band was syncing well with the crowd and adapted easily to the younger and older members of our family and friends.

Thank you again for assisting us in making our wedding reception a tremendous success!

Sincerely,

Lynette and Sandeep Nandi

Dear Josh,

We are writing to you to thank you for your help in making our wedding in Baltimore on 5 July 2003 such a memorable event. It was no easy task for us to plan our wedding from London, especially since we had 130 guests from various parts of the world and wanted to provide a high standard of entertainment for them.

The performance of Nation at our reception in the Engineers Club lived up to our expectations. They played a broad spectrum of songs at a very high standard and exhibited a high degree of professionalism throughout. They appealed to all age groups and created a terrific atmosphere. We particularly enjoyed the lead singer, Nicki Gonzales. We were also pleased with the Latin soloist whom you arranged separately. Finally, we were equally satisfied with the pianist during the cocktail hour.

The video production was similarly satisfactory. The two videographers operated discreetly and produced some stunning footage. The wedding ceremony at St. Alphonsus was captured particularly well. The 35 minute résumé is a highly professional summary of the festivities and our friends enjoy watching it a great deal.

We also greatly appreciated your advice on the selection of the above providers as well as your guidance with the wedding programme and entertainment in general. It was a pleasure to work with you and we will be happy to recommend you to others.

Best regards,

Re: Zimberg/Gilles Wedding  
St. Regis Hotel

Dear Eli,

Now that things have calmed down and I have had a chance to reflect on my daughter's wedding, I wanted to take a moment to thank you for your contribution to a wonderful day.

First, I would like to say that we looked at a number of bands on tape and sent the tapes to my daughter in California. In the end, she made the choice to have Nation at her wedding. She really wanted a sophisticated sound. She didn't want your run-of-the mill, often hokey, music played at a lot of affairs today. She just fell in love with your tape and everyone in the band. After looking at a dozen bands, I had to agree that Nation satisfied our every desire. Your vocalists are amazing.

What was wonderful was that Nation was everything we hoped for and more. We had an afternoon wedding and we were concerned that people may not get into the party spirit. Because of Nation, the party was full of joy and warmth until the very last minute. Everyone loved the music and had a great time. Numerous people asked me who the band was.

On a personal note, I would also like to thank you for managing the schedule, playing host, and organizing speeches, breaks, cake cutting, first dance, dinner music versus dancing music. I know that a lot goes into keeping the pace and making sure things move smoothly.

As far as I am concerned, the most important ingredient at any wedding is the music. The band sets the tone. Two weeks later, people are still raving about the wonderful time they had and I want you to know that a large part of the credit goes to you and Nation. Thank you so much for a wonderful time.

I wanted to write and let you know how pleased we were with the Music at our daughters wedding reception at Halcyon House last week end (September 27). You arranged for Manny Bobenrieth as well as the band Nation and they were both terrific! I regret that the band had to compete with a beautiful day and a beautiful setting as their music was fabulous. If you would pass on our compliments, we would appreciate it.

Thank you,
